The Mandalorian is battle-worn and tight-lipped, a formidable bounty hunter in an increasingly dangerous galaxy.. Sideshow Collectibles Introduction: Star Wars Westar-35 Blaster Pistol Prop Hello again! today I will be showing you how to make a Westar 35 blaster pistol (prop, of course!).. Imagine tracking down bounties and battling opponents with this NERF LMTD Star Wars Amban Phase-pulse Blaster.. the bandsaw, you will need to cut a wide slit in the PVC (not too wide; just big enough to fit over the little piece that juts out from your base).. you can use any saw, I just found the bandsaw to work well fit that over the end piece, as shown in the first picture.

) make the handle large enough for your hand, make the main part of the top the same length as the handle, and make the little piece that juts out stick out about another inch.. Now, the second picture will show the kind of box I'm talking about if you are doing this out of something other than cardboard, or can't find a vanilla extract box (they come in different brands) like it, make a box that's 2'/5'/1'.. these pistols were commonly used by Mandalorians throughout the Star Wars universe, as always, here's a wookieepedia article:if you choose to go the El Cheapo route, as I did, and make this out of cardboard, here is a link to my previous instructable on making durable cardboard props:So! let's get started!Step 1: The Inner Bodythis step is relatively simple..
